9 Iron

Construction Services

Live Free, Live Long

DET-9 Solutions LLC, dba 9-Iron Construction Services, offers a variety of construction management services, consulting and engineering services within the Southeastern United States and Texas. DET-9 Solutions LLC has an effective and efficient EH&S Program in place complete with all Permits, Forms, Procedures, Safety Pre-mob Package, Lock-Out-Tag-Out Procedures, Health, and Safety Manual and MOC Program. DET-9 Solutions LLC will not go into a facility and fix a symptom of the problem, we want to eliminate the problem. When completing a project in this manner, we limit unnecessary equipment down time and costly production losses.
